

# JACKY BINS

"Built from the ground up"

**JACKY**<sup>TM</sup>  
SAFE. TOUGH. EASY.

Our Jacky bins satisfy the demand for a **SAFE** and more **EFFICIENT SYSTEM** for the handling and storage of bulk dry goods such as fertiliser, grain and pellets.

- Industrial grade polyethylene – no rust
- Stainless steel & poly discharge hatch mechanism
- Weather resistant design – can be stored outside
- Vermin proof
- Translucent bin – product level can be read from outside the bin
- Overcome lifting height restrictions
- 1000kg load capacity
- Built to withstand the rigours of farm life
- Standard colour translucent green

## JACKY BIN WITH POLY BASE FEATURES
